We also thank the homeowners for their willingness to share their new home with the community. It was a pleasure to work with you all as we completed each step of the building process together.

CLIENT SATISFACTION EXCEEDING EXPECTATIONS

Throughout the past eight years of attending the Wausau Parade of Homes, we have continually been drawn to the homes that Jeremy Voigt Construction has built. We particularly noticed his excellence in product knowledge, scale and proportion, and his eye for detail. When the time came for us to build our new home, the choice was easy. What we have appreciated most throughout this process has been the character qualities we have seen in Jeremy as our builder. We have found Jeremy to be a man of integrity who always had our best interest in mind when it came to price, quality or design. Jeremy made the whole building process fun and it was a great experience from start to finish. For anyone looking to build we would recommend Jeremy Voigt Construction in a heartbeat! We love you Jeremy and may God richly bless you! Tom & Sue Young

P.S. Did we mention that the whole process was great!!!
