We express our gratitude to God for the gift of each new day and for His hand in guiding and sustaining all that we do. It is a blessing to be a part of this talented team, that goes above and beyond to make each home we build a work of art. A special thank-you to the homeowners, for sharing their new home in the parade, and to Mike for all his hard work, tireless effort, and craftsmanship. It was a pleasure to work with you all as we completed each step of the building process together.

Thank you Lecia & Rana from Scotties Interiors for the beautiful decorating and furnishing of this parade home. Your design expertise and quality pieces provide the finishing touches for an exquisite parade viewing experience.
